MEMORANDUM OF UNDERSTANDING

Food Safety and Standards Authority of India (FSSAI) is a Statutory Authority, established under the Food Safety and Standard Act 2006, for laying down science based standards for articles of food and to regulate their manufacture, storage, distribution, sale and import to ensure availability of safe and wholesome food for human consumption.

Food testing is an important part to ensure food safety through surveillance and enforcement. Accordingly, a Central Sector Scheme titled “Strengthening of Food Testing System” in the country including provision of mobile food testing laboratories was introduced by FSSAI during 2016-17 with the approval of the Ministry of Health and Family Welfare. The Scheme is to be implemented for a period of 3 years i.e. upto 2018-19. The scheme inter alia envisaged establishment of a network of Mobile Food Testing Laboratory (MFTL), referred to as “Food Safety on Wheels”, throughout the country.

Mobile labs would be operated by the respective State/UTs Governments or their agencies/NGOs/Trusts/Societies or even by established and well-functioning NABL/FSSAI accredited food testing laboratories as decided by the State/UT. Grahak Suvidha Kendras established by Ministry of Consumer Affairs could also be utilised for this purpose.

FSSAI has awarded the contract to M/s Asian Scientific Industries (Delhi) located at 6 UA/3, Jawahar Nagar, Delhi-110007 for body building, interior fabrication of FSW, fixtures/furniture and supply, installation and commissioning of equipments.

“Representation and Warranties”- Each of the Parties (FSSAI and STATE of ________________) represents and warrants that:

(i) It has full power and authority to enter into this MoU and to perform its obligations under this MoU.
(ii) This MoU constitutes a legal, valid and binding obligation on its part enforceable against it in accordance with its terms.

Now, to collaborate in the achievement of the objectives/functions of FSW as described, the FSSAI and STATE of _________________ have reached upon an understanding as follow:

I. Objectives/Functions
FSW would execute the functions of testing including surveillance, training and creating awareness regarding the food safety in remote areas of the State, among large public congregations, schools and consumer organisations. FSW can also be used to transport samples picked from remote areas to the nearest food testing laboratory. Education of the consumers in various aspects of food safety laws and common hygiene practices through the utilization of mobile food testing labs can help in overall goal of supply of safe and wholesome food to the country. FSW would provide on the spot test facilities for qualitative adulteration of common food items like...
ghee, milk, khoya, sweets, edible oil, non-permitted food colours in various foods like namkeens, spices, prepared foods etc. Testing for common adulterants can instil confidence in the local population while strengthening the hands of enforcement machinery by screening large number of samples for common adulterants. The available data can then be used to carry out enforcement activity in a targeted manner.

II  **Role of FSSAI:** FSSAI would provide following to the States/UTs –

(i)  A fully functional FSW (fabricated vehicle with fixtures& fittings, furniture and equipments) costing more than Rs. 36 lakh.
(ii) A recurring grant of Rs. 5 lakh per year towards Petro-oil-lubricants (POLs) and other consumables during the period of scheme implementation.
(iii) A copy each of Scheme Guidelines, Manual of Simple methods for testing of common adulterants in food and Operational Manual.

III  **Role of State:** The States/UTs would be responsible for the following –

(i) To engage requisite manpower {i.e., Technical Officer (One), Analyst (one), Driver (one) and Attendant (One)} for FSW. The staff deployed in FSW by the State/UT should possess necessary qualification & experience the stipulations as contained in the scheme guidelines or as revised from time to time. The hired manpower will be employees of the State or the agency through which they are hired. Therefore, either State or outsourcing agency will be responsible for payment of salary, wages and other emoluments if any and statutory requirements. FSSAI shall not be responsible for any payments or statutory benefits (like EPF, ESIC etc.) of the manpower deployed in the MFTL.
(ii) To work out a district-wise calendar of 15 days for each FSW.
(iii) To undertake following activities:
   i. All the operations from receiving/ collecting of sample to analysis through to generation of result, preparation of report and providing the results.
   ii. Registration of samples and creation of a separate inventory in a register. A nominal fee as decided by the state can be charged. A receipt towards fee has to be provided and also a copy kept for record.
   iii. To charge fee as per the norms prescribed by the authorizing department (State FDA). No excess fee other than the prescribed fee will be permitted. Any such action found will be treated as breach of the contract.
   iv. To carry out the testing as per the procedures laid out in the FSSAI testing manual or as per procedures written in the testing kits provided by the dealers or methods/ procedures provided by the state FDA. Any deviation will not be permitted.
   v. Maintain all the relevant records in the form of registers and files. Some general records to be maintained are (and not restricted to):
      a. Sample Inventory Register (SIR) – This will contain the information about the type/name and date of the sample received, Name and address of the customer/ organisation who gave the sample for analysis, Fee received, Signature of the sample provider.
      b. Testing and Coding register (TCR) – This will contain the code number allotted to the sample, location of sample before & after testing, Analyst name, date and time allotted.
c. Laboratory Data Register (LDR) – This will contain Sample testing record from code number of sample, date wise observations/ readings from equipments/ volumetric analysis, calculations etc.,

d. Test Report Register (TRR) - Record of results in the form of Result sheets, samples wise has to be maintained. Format of result sheet will be provided by the state FDA.

e. Consumables Inventory Register (CIR) - Record related to consumption of chemicals, glass wares, plastic wares and other consumables like stationary etc.

(iv) To create awareness among the people about food safety and food adulteration along with the collection of samples. Besides this, FSW may also receive samples directly from Consumers, organizations, NGO’s, individuals, extension agencies etc. The organization would also act as a mobile education unit to popularize food testing and build a trust amongst the consumers about food safety and hygiene.

(v) To maintain the vehicle, equipments/ machinery and other accessories present in the FSW.

(vi) To refill POL’s and other consumables for smooth day to day functioning of FSW.

(vii) To submit a consolidated monthly progress report by 7th of the following month to the State FDA and FSSAI (preferably in soft copy at email ID: labs@fssai.gov.in) as per Annexure.

(viii) To submit Utilization Certificate as per GFR; Audit Report, if any; and a consolidated Annual Progress Report including the fee collected and expenditure incurred in operation of FSW, to FSSAI through State FDA for creating a database.

(ix) In case that consumer has a sample analysed or FSO submits a sample for analysis to a Mobile Food Laboratory, prosecution/adjudication cannot be launched by an FSO till the process as detailed in FSS Act, 2006 is adhered.

IV. Monitoring

(i) The Comptroller and Auditor General of India, at his discretion shall have the right of access to the books of accounts of the STATE for the grants received from FSSAI for this purpose.

(ii) FSSAI will have the right to seek any information with regards to the utilization of facilities so created and also carry out visits to FSW from time to time.

(iii) FSSAI may terminate the grant at any stage if it is convinced that the grant has not been properly utilized or appropriate progress has not been made.
